Language, Cultural & Relocation Integration Services

## Six-Month Premium Support Programs for International Clients

At MLS Company in Greece, we provide structured, high-touch integration services designed to help foreign nationals transition smoothly into life in Greece. Our programs combine tailored language training, cultural orientation, and practical relocation support — delivered with discretion, professionalism, and a clear focus on helping each client become fully independent and confident in their new environment.

Each package is valid for **six months**, during which clients may schedule their hours and sessions at their convenience.

## Our 6-Month Integration Packages

### 1. Essential Integration Package

**€12,000**

An ideal foundational program for individuals or families who require structured guidance during their first months in Greece.
